Welcome  
to

# PRIME FRONTIER!

**OR-TP-DESERT-PRIME**

## His world IS different! Here's why:

**PRIME CARCASS** → a phenomenal Hereford changer ... offers almost 300% more muscling (ribeye) and an incredible 600% more marbling ability.

**PRIME MATERNAL** → his first daughters are so mouthwatering! His daughters bring more milk with better udders and his cow fertility is ranked off the chart.

**PRIME PERFORMANCE** → One of the easiest calving bulls we've ever used; his progeny possesses thickness, depth and big rib shape. No wonder he ranked superior in **17** different traits.

**PRIME DOLLAR MAKING** → at a time when an industry demands "no nonsense" cattle, Desert Prime truly is so right for right now!

## GENERAL INFORMATION

### TERMS AND TRANSPORTATION

Each animal will be sold to the highest bidder and the auctioneer will settle any disputes as to bids. Terms are cash at the time of purchase or one-half down and the remaining balance due at the time of delivery. If you so desire, we will care for your purchase for up to 30 days at our risk and our expense. It is our desire to make all deliveries prior to December 20, 2022. Free delivery on the bulls anywhere within the continental United States on total bull purchases of \$5,000.

If you bring your own trailer and health certificates can be written sale day, there will be a \$125 rebate per bull you haul home. Note: Due to changing health requirements on bulls, please check your state's health requirements; if there are any questions, contact us so that we may assist you with delivery.

### GUARANTEE AND LIABILITY

Customer satisfaction is our primary concern. Every effort has been made to ensure complete genetic prepotency and purity. All sale cattle are guaranteed free of known genetic recessives. All coming twos and fall yearlings have been fertility tested and scrotal measured by our veterinarian. Every bull selling carries our guarantee: If a bull fails in any way to meet your expectations for two full years from time of purchase, (1) send him to the auction barn and notify us of the salvage check; (2) then at your option

we will either replace the bull; or (3) you will receive the difference between the purchase price and the salvage check as credit in our next bull sale. All cattle that have horns will be so designated. The same goes for cattle that are polled. Scurred cattle will also be identified. Bulls with scurs do not have real horns and should not sire cattle with horns any more than a smooth polled bull would. All persons attending the sale do so at their own risk. The owners assume no liability, legal or otherwise, for any accidents or further guarantees.

### WINTERING ARRANGEMENTS

At buyer's option, all older bulls will be wintered at a cost of \$100/head/month. Since each individual carries the 2-year guarantee, seller assumes full risk. The bull calves will be wintered at \$60/head/month.

### HEALTH

All sale cattle will be health approved to go to any state, however, certain states may require additional health tests which may not be able to be written sale day.

### ACCOMMODATIONS

Excellent accommodations are available in Buffalo, Casper and Kaycee. For assistance with motels or additional travel, please call 307-738-2443.

**Bid Online!**  
If you are unable to attend the sale, you can register to watch or bid online through The Livestock Link by following these instructions:

- Visit our website, [www.thelivestocklink.com](http://www.thelivestocklink.com)
- Click the "Auctions" tab
- Click on "Click Here to Register" below "USER-LOGIN"
- Enter your e-mail address and password, and fill out all your contact information
- Fill out your Banking Information. If you are only viewing the sale and do not wish to bid, this information can be left blank.
- Check the checkbox at the bottom of the page that says "I'm not a robot" to prove you are a real person
- Click "Register" at the bottom of the page
- You will receive an email with a link to activate your account.
- Please register to bid at least 24 hours in advance of the sale.
- Contact Aaron Friedt at (701) 590-9597 for help or with any questions.

You will receive an email when you are approved for bidding. All applications will be reviewed and processed promptly. You will receive a bidder number only after you have made a purchase in the sale, and that number will only be used at that sale. When the sale is completed, please contact the sale owner or manager for instructions of payment and delivery of your purchase.

To use our service, you must have access to High Speed Internet.

**Questions?**  
Contact Aaron Friedt at (701) 590-9597 or Jared Peterson at (605) 641-7573  
[www.TheLivestockLink.com](http://www.TheLivestockLink.com)

# DESERT ★ MART

Dear Cattle Producers,

Welcome to our 41st Annual Production Sale, the DESERT ★ MART

## PRIME FRONTIER *Sale*

### *The Effort has Paid Off!*

Decades of an unrelenting pursuit of a double excellence package has yielded this year's exciting "Frontier" offering ... here's why:

#### ★★★ CARCASS SUPERIORITY!

In today's extremely competitive cattle industry no one will any longer tolerate sub-par carcass ability. It just cost too much money to produce and harvest average or less than average beef carcasses.

#### ★★★ RANGE SUPERIORITY!

Just as important is the cost of production up to the moment of marketing. Cattle that have to have extra inputs to just perform modestly or worse will cause a serious, non-sustainable loss of capital.

#### NOW FOR THE REALLY GOOD NEWS!

This exceptional offering of industry changers has the best set of data we've ever assembled! In fact, they just may have the most elite performance numbers of any group anywhere! And at the same time their ability to "hustle" for their new owners also has no equal.

As you make your decisions, be very comfortable with our iron-clad full two-year unconditional guarantee. They will make you happy - you can count on our commitment to your satisfaction!

We have made a lot of friends over the years and our dedication level remains "sky high" to become your dependable source of high-octane genetics for a long time to come!

In Christ,

The DESERT ★ MART Crew

Second generation DESERT ★ MART baldies

The  
Innovative ...

# DESERT★MART

## ★ DESERT CARCASS RATIO ★

*Finally, a working system that is simple to understand and makes a real-world, comprehensive evaluation of carcass merit.*

**DCR: 193**

### Here's How it Works:

1. Add together an individual's ribeye area, marbling score and total carcass value (\$CHB).
  - a. This is done best by assigning a whole number value to two decimal values, example: 0.30 ribeye would change to 30.
2. Compare the individual's added score to the current breed average.  
Example: Lot 4. The ribeye area on Lot 4 (pg. 11) would now be 87. His marbling is 59 and CHB\$ is 169. Adding together  $87+59+169=315$ . Breed average:  $39+11+113=163$ .
3. Divide Lot 4's total score of 315 by the current breed average score of 163 and the result is  $315/163=193.2$  or **DCR: 193**. Therefore, breed average would be 100% and Lot 4's huge advantage would be 193%!

## REAL CATTLE WORK IN THE REAL WORLD!

All the sale cattle have been raised on native range with no creep feed. After weaning, all bulls are developed on a growth ration and long hay with plenty of exercise and exposure to all of Mother Nature's elements.

### PERFORMANCE RECORDS

Our herd has been enrolled in the American Hereford Association's TPR Performance Program for over 60 years. We are putting out individual performance information except actual birth weights in the catalog expressed strictly as EPDs. While all the registered cattle have ratio information, the latest research shows that Expected Progeny Differences for young bulls may be as much as nine times more accurate for selections than ratios. Present weights and any additional information requested will be available sale day.

### MATERNAL STRENGTH

It has been determined that maternal traits are the most highly valued economic traits in the cattle industry. Milk EPD is the calves' weaning advantage in pounds expected from a bull's daughters through milk production. Milk plus growth EPDs indicate the advantage in pounds that the same daughters will transmit through both their milk and growth qualities. We have been pioneers in stressing the importance of maternal strength. You are assured of superior milking replacements when using bulls with high Maternal EPDs.

### CARCASS ABILITY

Possibly no herd has done more long-term documented carcass work. We had the kids 4-H steers tested and are proud to report that of the three steers we have tested by a son of Golden Achiever they have averaged the following carcass excellence:

3 Steers: Backfat: 0.3; Yield Grade: 1.9; Quality Grade: Choice; Ribeye Area: 18 sq.in. We don't believe any breed or any program can produce more superior, consistent carcasses than these!

### BIRTH WEIGHT EPD

We are giving each lot an amount of stars above the birth weight EPD box to designate whether bulls can be comfortably used on different kinds of cows. This explanation is as follows:

- ★ Indicates a birth weight tendency for mature cows
- ★★ Indicates birth weight for all cows and larger heifers
- ★★★ Indicates that birth weight should be acceptable for all heifers and cows

### UDDER PIGMENT POSSIBILITY (UPP)

Only at DESERT★MART! Again this year, we are indicating UPP with the three rankings of H (high), M (moderate) and L (low). Example: UPP-M would indicate that female progeny from this example lot would have a moderate possibility of possessing udder pigmentation.

### SPECIAL NOTE:

Footnotes. Again this year, we are giving a brief description of each lot. This is to provide more insight to those folks who may not be able to attend and bid in person.

# DESERT ★ MART | REFERENCE SIRE TRIBUTE

## KING TEN ... KING GOLD!

What has been a certain level of acknowledgement that **KING TEN** added value has become a tidal wave of power distinction. Consider:

RANCH FIRM	STATE	TOP-SELLING PRICE	BULL REG.	KING TEN TRACES
Churchill	Montana	\$65,000	44149846	11 times
Colyer	Idaho	\$80,000	44122894	10 times
Hereford Heritage	Oklahoma	\$40,000	44120624	16 times
Hoffman	Nebraska	\$105,000	44184603	5 times
L Bar W	Montana	\$20,000	44147167	6 times
Shaw	Idaho	\$31,000	44095700	4 times
Topp	N. Dakota	\$125,000	44067260	4 times
Upstream	Nebraska	\$30,000	44045529	7 times

The above 2021 production events record an average of **\$62,000** on their high seller with just under an average of **8** traces back to the immortal **KING TEN**. At a time when Hereford demand and prices are rapidly rising - don't miss your "golden" opportunity to capitalize on **KING TEN**!

**DESERT ★ MART** has been stacking and stacking and stacking **KING TEN** for over 40 years. Use our concentration for your cash accumulation!

- Act. BW 71 lb.
- Selling ¾ interest, full possession.
- Quite an explosive package! 26 whopping traces to King Ten, 19 total traits of excellence, and out of an own daughter of Desert Prime! Just a breed mover with a marbling EPD that ranks him in the top 3% of the breed! His home raised sire we had tested in the NRSD at Olson's in Nebraska where he did extremely well; he now is a national trait leader in the breed for 8 traits!
